Tasting Notes						
《KIKUSUI'S GREATEST CREATION - SUPER PREMIUM SAKE》						
This Sake is the result of KIKUSUI Sake Brewery bringing together the techniques it has cultivated over the 140 years since its founding. Rice is polished to a 23% left, resulting in a Sake with an unparalleled Ginjo aroma with a clear, pure flavor free of any off-notes. We recommend it as a gift for special occasions or as a treat for yourself.						
[Serving Suggestions]  On the Rocks Chilled At Room Temp. Hito-hada (At Body Temp.) Atsukan (Piping-hot.)
